

Our host,

Mother Earth

Giver of life in abundance

As a human
collective we
have to come
together and
inner stand
that the planet
we live on isn't
just a resource-
bringer we can
endlessly take
from.. It's

Time to give back

Planet EARTH = HEART
is, always was and always will BE
The paradise god gave us -
GARDEN EDEN

in a consciousness of LOVE we can see and
feel, that we are ONE part with our host,
that we lack nothing at all, she provides
always with abundance!

WE have to let go, of all that isn't LOVE
and come back to BEing ONE!

HOW can we give back?
The feeling of LOVE, of gratitude, of joy,...
is felt by the planet!

What you think and speak, and in which
frequency is felt by Mother Earth.

We can send focused energy of LOVE, gratitude
or joy directly to her through prayers,
blessings, singing, ceremonies and simply our
intention in every MOMent.

WATER blessings and ceremonies
water is pure consciousness, it is life.

our words and our frequency matter to the water.

Dr. Emoto found out, speaking LOVE into water
brings healing, meanwhile fear and hate brings

destruction. to speak a prayer in gratitude, a
blessing in love or to perform a ceremony

towards/for/with water is powerful release,

healing and a beautiful way to give back LOVE
to our host.

Ceremonies - The purifying flame of transformation
Planet Earth = Heart is under quarantine with all
remaining darkness here. Hence why we are the
brightest strongest lights the contracted with God
herself to rock this.

One way to transform and dissolve lower energies like
hate, fear, control, judging,.. is burning a ceremony.
write it all on a paper in your organic words and burn it
with the intent of purifying in the love of forgiveness.

Heart felt intentions

We all are deeply connected to our host. Our intentions in every MOMent matter. if we are on a walk, at the water, at home, working, playing or cleaning - in every MOMent we can send gratitude and love to her, we can imagine our roots deep down anchored in the safe protection of Mother Gaia., find joy and BE our greatest grandest version. We help with our intentions of unity, harmony, honor, healing, unconditional love to bring Heaven back to Earth!
