

# DIVINE ELDERS COUNCIL GUIDE

*"Be Powerful, Strong, Clear and True to yourself  
to Evolve into a Multi-Dimensional Being of Light."*

Greetings and thanks to those who have felt the Call  
to form the Elders Council.

We are the Great Grand Council of Masters, We offer Our  
support to you now as you set about ensuring the Universal  
Oaths and traditions are brought into  
physical representation on Gaia.

Deep in the life blood of Ancient Gaian Souls lies the  
remembrance and the Way, the Way to Heaven on Earth, the  
way to enact a whole Heart with unbreakable  
connection to Her.

You serve the purpose of focusing the Divine Love to those  
places needed in the community; to bring balance and  
alignment resonant with the frequency of the Divine Heart.  
This Council will Assist in Anchoring Peace and Abundance for  
the wider community; and serve as a Galactic Connection Code  
Light Transmitters.

Concrete actions must be taken.

This is the core Mission of the Divine Elders Council.

Reach out in connection to us as you journey through your  
experience, we are here to Guide and Inspire!

In Deep Gratitude,  
The Great Grand Council of Masters.
