

Truth & Transparency Code

A GUIDE TO FULL TRANSPARENCY & INTEGRITY IN MEDIA

PRESENTED BY: NETG

Full Whole Truth

WHAT IS TRUTH?

Full, whole truth requires no convincing, no proof, no clickbait, & no manipulation. Truth stands on its own frequency & cannot be undermined. In 5D, we all know truth by the way it feels & by the frequency of the information. Truth is also what we have AWARENESS of. When we know something to be true, we cannot avoid it nor can we try and change it.

DISCERNING TRUTH

- Feel into the information
- Discern whether the Source of the information has an agenda
- Feel into whether it resonates with you
- Look at all information from a neutral standpoint
- Dissolve your belief systems about what "truth" is
 - -Ask your angels for confirmations on whether information is true
 - Trust yourself
 - Do not attach to any information

TRANSPARENCY

- Being honest & vulnerable
- -Sharing your truth no matter what
- -Being open about what you know & what you don't know
- -Being willing to admit responsibility & accountability for any misinformation
- -Being open to all new forms of truth
- -Sharing from our hearts rather than
 - our mind
 - -Sharing the truth without fear of rejection, backlash, or misunderstandings

Media Ethics

All media outlets includes

- -News Outlets
 - -Talk Shows
- -Online publications
 - -Newspapers
 - -Magazine
 - -Radio Stations
- -Social Media Platforms
 - -Podcasts
 - -Vloggers

ALL Media Outlets, Commentators, Content Creators, & Social Media Platforms must allow freedom of speech, & must provide neutral information and open perspective.

Media Ethics

No Media Outlets may change, alter, manipulate, or skew information to fit their opinion. All may share their feelings, perspective, solutions & ideas regarding any piece of information but may not create confirmation bias.

No information may be withheld, hidden, bypassed or denied in order to prevent disclosure to the public. All information must be shared or the media outlet will face dissolution due to lack of integrity.

Media Ethics

The intent of all sharing of information must be:

-to express

-to bring awareness

-to bring understanding

-to create solutions

Any information that is shared with the intent of propaganda, influencing, creating bias, financial gain, or any lower frequency agenda, will be flagged for lack of integrity. Any being or platform who is flagged for lack of integrity will have the opportunity to correct, take accountability, & re-share the information

Whistleblower Protection

ANY being who wishes to come forward as a whistleblower, providing disclosure information, MUST be allowed to share their experience, their perspective, & provide information that was previously hidden.

ANY retaliation against a whistleblower will immediately result in dissolution of the media outlet, business, or company.

Freedom of Expression will not be denied to any citizen.

Whistleblower Protection

ALL Media Outlets MUST provide a space for whistleblowers to come forward if they wish to.

Any media outlet, person, publication, or platform that denies a whistleblower the right to express information will be immediately dissolved under the Whistleblower Protection Clause.

All Media must uphold the right to disclosure, freedom of expression, and truth.

Censorship Violations

No media outlet may censor ANY information, post, article, video, clip, etc., for ANY reason other than the following:

- -the information or content shows extreme violence including rape, murder, assault, etc., and is not being presented for ANY reason other than to instill fear into the consciousness.
- -the information or content is being published to feed the agenda of a corporation, entity, government agency, private corporation, or elite person.

Censorship Violations

Any Media Platform that is found to be censoring information that is not found to be an exception, will be immediately shutdown and further investigated. Any outlet that is proven to have censored information that is not an exception, will be permanently shut down and dissolved.

All Platforms will receive full training & one warning for their censorship practices & have 60 days from training to implement them.

Web of Light Violations

The Web of Light (the internet) was created to be a structure of unity consciousness in which all beings may connect, express & bring awareness to humanity through freedom of expression.

ANY website, platform, media outlet, etc., including the Dark Web, will be permanently shut down and removed from the Web of Light for supporting ANY violations to Universal Law.

Web of Light Violations

Violations to Universal Law include:
-selling dangerous or harmful items
or materials to humanity which
includes firearms, explosives, man
made drugs, or toxic ingredients of
any kind.

-child trafficking, human trafficking, prostitution, or the purchasing/selling of ANY living being.

-Pornography of any form
 -Any content that instills fear, pain, suffering, or lower vibration into the collective consciousness.

Al Algorithms

No social media or outlet platform may use AI algorithms to censor, spy, store, sell, or publish information of any user or consumer of the content.

Similarly, no social media or outlet platform may use AI algorithms to promote, censor, or block information, user content, or availability of posts. ALL posted content must be allowed organic flow, availability, and ability to be seen.

Any social media outlet or platform violations will result in dissolution of the platform.
